### **SDBA - SEASON COMMUNICATION**

Our website is an important communication tool for our organization so we ask you to check the website before each game/practice. Some schedule changes are outside of our control but the on-line schedules will be kept up-to-date once the season is fully underway. Please do not print off the schedules as these will change.

### **SDBA - GYM CANCELLATIONS**

During the season there are cancellations to our gym time that are completely out of our control. In most cases we are able to find an alternative but there are the rare occasions, particularly with the high school gyms that we cannot and this will result in cancelling the session. This is done as the absolute last resort but please note that we have done everything in our power to rectify before we have to make this decision. There maybe a very rare occasion that you turn up to a gym and it is being used by the school. Sometimes this happens and we have not been informed and therefore have not been able to find an alternative gym nor inform you of the change. Your patience and understanding is greatly appreciated.

See you on the courts on Sunday 22<sup>nd</sup> September 2019.

Thank you
